

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, elves, public exhibition] Twelve elves left the North Pole to be free of all things Christmas and have been living together for decades. They have gone without their mates for years, but when the first of the twelve finds his, the others have hope for finding theirs. Flower is a reserved elf who hates snowmen and the monotony of one-night stands. After finding his mate, he puts the same care and concentration he would into his inventions into all that he does for Otis. Otis Connor has been a sex slave for years. He doesn't know how to be free, but Flower gives Otis a chance to turn away from all his pain to find his inner strength and capability of giving and getting love. As the feelings between Flower and Otis grow, will Otis be able to truly leave his past behind, or will it be too much to overcome? ** A Siren Erotic Romance
